

Your CSC Corptax® solution represents an investment in the future of your organization. To make sure it meets your needs today and in the years ahead, the Silver Support Plan is included with your solution.

## Selecting the Right Support Offering for Your Business

Additionally, to meet the business needs of all companies, we offer multi-channel support offerings to provide expert-level customer support, advanced web tools, best practices, and administrative knowledge. These support offerings provide a defined range of services and allow you the flexibility to select and customize a level of support based on your specific requirements.

## Corptax Online Support

Corptax online support increases productivity by enabling you to overcome processing obstacles quickly. Plus, it saves time by offering an efficient method of assistance without having to wait for the "next available representative." Online support delivers:

- A sophisticated knowledge management and support system that empowers you to find the answer to your question from our extensive Knowledge Base—quickly and independently.
- An option to quickly transmit your documented issue to the appropriate product support specialist.

## Silver Support

Silver Support includes live phone support 11 hours a day/5 days a week (excluding holidays), two-hour response time, and the ability to create an unlimited number of support cases. You also receive 24/7 access to our online support portal, CSC Connections, which features advanced searching capabilities of our product knowledge bases and access to our user community.

## Gold Support

Gold Support provides a more personal and collaborative partnership. Having an experienced support professional onsite goes a long way toward ensuring quick success for your users and overall tax compliance and reporting needs. Gold Support more than pays for itself in terms of higher user adoption and increased business productivity. In addition to the benefits of Silver Support, Gold Support provides:

- 90-minute response time
- An assigned customer support representative or team of representatives
- Health checks to determine if your company is using Corptax to its full advantage
- A 10% discount for additional onsite support and onsite training days
- Continuous Education Subscription, which provides total access to online and classroom training sessions\* for all licensed users at your company
- One registered attendee to the Corptax CONNECT users' conference

The additional learning opportunities ensure your users have a positive experience with Corptax, which is why many of our most successful customers select Gold or Platinum Support.

## Platinum Support

Platinum Support is our most comprehensive support package. Platinum Support combines all the services included with Silver and Gold Support, along with additional training opportunities and onsite benefits, including:

- Top priority case responsiveness
- Two registered attendees to the Corptax CONNECT users' conference
- Higher discounts on additional onsite support and training days

## Your Success is Our Priority
