

# Annual Report Preparation and Filing

## Your time is valuable. Why spend it on preparing and filing annual reports and compliance renewals for your entities?

Different jurisdictions have different filing requirements and deadlines—navigating the complexities on your own can result in errors. Don't endanger your company's good standing. Turn to CSC. When CSC handles your annual reports, franchise tax reports, and related filing obligations, you won't have to worry about compliance, risk, or missing a filing deadline. And you can spend your time focusing on what's important to you—your strategic priorities.

### How it works

#### Pre-filing services

- CSC completes an initial audit of the status of all entities.
- CSC delivers reports outlining upcoming filings 45 days in advance, along with the good standing status of each entity that has a filing due in this window.

#### Filing services

- CSC prepares and files annual reports.
- CSC prepares and submits all franchise tax reports.
- CSC advances state fees on your behalf.

#### Post-filing services

- CSC uploads filed evidence to CSCNavigator®, automatically linking the documents to your entities for easy review and 24x7 access.
- CSC updates the good standing Compliance Calendar® in CSCNavigator in real time, so you can check the status of your annual report filing events.
- Secretary of state good standing status is visible in CSCNavigator, ensuring complete transparency.
