

A Guide to CSC Benefits
Cayman

Summary of Benefits, Cayman

At CSC, we believe that our greatest asset is our people—the dedicated individuals who contribute their skills, passion, and creativity to our shared success. As an organisation, we're committed to fostering a supportive and inclusive work environment where every colleague feels valued, respected, and cared for.

Our comprehensive benefits package reflects this commitment. We understand that life is multifaceted, and our offerings aim to address various aspects of your well-being. We're here to support you every step of the way. Our comprehensive benefit offerings are outlined below.

✓ Eligibility

All CSC colleagues are eligible for benefits as of their first day of employment unless a waiting period is mentioned below.

✓ Well-being benefits

Your physical and mental well-being are a priority, and we recognise that a healthy mind and body are essential for overall happiness and productivity. Here's how we demonstrate our commitment:

Medical, dental, and vision insurance

CSC provides medical, dental, and vision coverage through CG BritCay, available to all colleagues from their first day of employment. The medical plan includes coverage for both inpatient and outpatient treatments, with CSC covering 100% of the premium cost for colleagues. Colleagues may choose to add dependents to their coverage. CSC covers approximately two-thirds of the dependent premium, while colleagues are responsible for the remaining one-third.

Health and well-being resources

CSC provides colleagues with many health and well-being strategies to help you care for yourself and your family. Our 24x7x365 confidential employee assistance program (EAP) connects you to licensed counselors and aims to help you find solutions for the everyday challenges of work and home, as well as for more serious issues involving emotional and physical well-being.

There are more than 80 health and well-being champions located in our offices around the world, committed to bringing our health and well-being agenda to life locally and helping you tap into the wealth of available resources.

CSC highlights and encourages self-directed learning focused on mental and physical well-being.

✔ Financial benefits

We're dedicated to offering our colleagues a range of financial benefits aimed at supporting your financial well-being and helping you plan for a secure future. Here's how CSC is committed to helping you achieve your financial goals:

Pension

In accordance with the national pension law, all colleagues age 18 to 65 must participate in the company's pension plan, currently managed by Silver Thatch Pension. The law requires monthly contributions of 5% from the colleague and 5% from the employer, totaling 10%. Caymanian full-time students under age 23 may be exempt from this requirement. Non-Caymanian colleagues may be exempt from mandatory contributions for the first nine months. Colleagues can choose to make additional voluntary contributions to their pension plan, however, CSC does not match contributions beyond 5%.

Life and accidental death and dismemberment

In the event of accidental death, the designated beneficiary of a colleague will receive a payment equal to twice the colleague's base annual salary, up to a maximum of \$1 million. For dismemberment or specific losses, benefits are paid based on the extent of the loss. Supplemental group life insurance is available at the colleague's own expense. Life insurance coverage begins upon completion of the probation period.

Long-term disability

Colleagues receive long-term disability coverage at no cost, which pays 66.67% of their basic monthly earnings, up to a maximum of \$15,000 per month, until the age of 65 which at that point the benefit reduces by 50% of the original amount. The long-term disability benefit begins after 90 days of disability.

CSC Gives Back

Through our CSC Gives Back program, individuals and teams give back to the local and global communities. CSC provides volunteer T-shirts for colleagues and matches colleague donations to charities between \$50-\$1,000 or equivalent per year, per organisation.

✔ Work-life balance

At CSC, we value work-life balance and our colleagues' diverse needs. We foster a supportive environment where taking time off is encouraged, whether for personal health, family, mental well-being, or recharging. Here's how we demonstrate that commitment:

Annual leave

Full-time colleagues receive 20 days of annual leave each calendar year and time off is prorated in the year a new hire starts with the company. Up to five days can be carried over into the following year, but any carried-over leave expires on 31 December of that year.

Public holidays

Colleagues are entitled to 13 paid public holidays per year.

Other applicable leaves

In the Cayman Islands, various leave types are available to support colleagues during key life events such as maternity and paternity leave. Some leaves include:

- **Maternity:** CSC colleagues with at least 12 months of service are eligible for up to 16 weeks of maternity leave in line with the Labour Law. This leave can be taken in various ways: the first eight weeks at 100% pay and the next eight weeks at 50% pay; 16 weeks at 50% pay; or 12 weeks at full pay followed by four weeks unpaid. If the colleague is with the company for less than 12 months, the leave will be prorated based on the statutory entitlement of 12 weeks at 100% pay.
- **Paternity:** Colleagues can receive two weeks of paid paternity leave.

Guidelines on other available leave types can be found on CSC Central.

✔ Recognition and rewards

Outstanding performance is celebrated through peer recognition aligned with Our Values, milestone tenure awards, and incentives for referring top talent. We believe that acknowledging these efforts boosts morale and fosters a supportive and thriving workplace culture. Join us in celebrating the exceptional contributions that drive our success:

LOV Badges

Our Values are at the core of who we are and the standards we aspire to live by each day. Colleagues regularly “show some LOV” by taking the time to recognise each other for Living Our Values (LOV).

Service awards

We deeply value the dedication and commitment of our colleagues. Our service award program recognises and celebrates the milestones achieved by our team members for each five-year milestone reached.

Colleague referral awards

Good people know good people. As a result, a financial award is provided to colleagues who refer external candidates who are subsequently hired and remain with CSC for at least six months.

✔ Career growth

Career growth is a top priority at CSC. We believe investing in your professional development benefits both you and the organisation. We take pride in the talent we hire and want to promote and allow our colleagues to grow. Your next career opportunity is right here! Here’s how we foster career growth:

Internal learning

Colleagues are provided with many resources to become more knowledgeable in their current role or take on new roles with the company. Self-directed resources are available, such as career self-assessments, thousands of courses through Open Sesame, other internally curated content, podcasts, mentoring programs, webinars, and more.

Continuing education program (CEP)

CSC offers reimbursement for certain educational courses, with pre-approval from your leader. Colleagues with at least six months of service can seek financial assistance up to \$5,250 (or equivalent) per calendar year for relevant learning.

For full policy details on our continuing education program, please visit our CSC Central site.

We pay for performance

We believe that both what we do and how we do it are equally important. Therefore, our performance evaluations are balanced, with 50% based on achieving goals and 50% on how well we align with our core values.

Merit increases

Leaders work together with their team members to set goals at the beginning of employment and each calendar year, in alignment with our line of sight. Throughout the year, leaders have continuous conversations with their team members to discuss progress toward achieving goals and career growth. Most colleagues are eligible for a discretionary merit increase based on consistent and sustained performance in the first quarter of each calendar year.

Success Sharing bonus

This is a taxable bonus that may be paid to eligible colleagues at the company's discretion in the first quarter of each year. The distribution amount, if any, is generally determined by the company's profit and growth in the preceding fiscal period. Colleagues hired in the last quarter of the calendar year (1 October through 31 December) will not be eligible for success sharing paid for that year.

Note: Success Sharing does not apply to those covered under other incentive compensation programs.

Your voice is important

Colleague feedback is invaluable to us. Fostering an open dialogue and actively seeking input from our colleagues leads to better decision-making and a more inclusive work environment. Here's how we demonstrate our commitment:

- Colleagues are formally asked for feedback through an onboarding survey, and later a new hire survey in their first year of employment. Companywide surveys are also conducted once or twice per year.
- CSC has an open-door policy, encouraging colleagues to have regular conversations with their leaders and to work together with others to innovate, continuously improve, increase colleague satisfaction, and maintain a culture of trust.
