

EXECUTIVE BIOGRAPHY

Karen Wang

Karen Wang is APAC director of business advisory and development at **CSC**[®] Global Financial Markets, heading the Business Advisory and Commercial teams for China, Hong Kong, and Singapore. She has more than 15 years of experience in corporate advisory and business development in international expansion services.

Karen previously served as team head of corporate advisory and director of business development in a top-three firm in the industry, where she advised Western clients on global expansion into Asia and corporate structuring. She focused on doing business in China from legal, tax, HR, and administrative perspectives. She has worked with a range of companies, from startups to multinationals, in a variety of industries.

Karen is a Certified Practising Accountant in Australia, and has served for more than four years as a committee co-chair for the American Chamber of Commerce in Shanghai. She lectures and speaks on China-related subjects for a number of business schools, government organizations, chambers of commerce, and industry associations.

Karen earned her B.S. in business administration from China Northeast University of Finance and Economics, and is fluent in English and Mandarin.
