## Sales

CSC is the leading provider of business administration and compliance solutions and the trusted partner to many of the world's most successful organizations.

Our Sales teams help connect clients with products or services best suited to fulfill their needs and are supported internally by talented marketing and service teams. We hire genuine, motivated individuals who are committed to delivering the highest value. And we equip them with the knowledge, support, and resources needed to succeed.

# Why Sales?

If you crave ownership over your career trajectory, Sales may be the right place for you. On our Sales teams, your tenacity and commitment to going the extra mile result in unlimited earning potential. **You determine your success.** New hires receive thorough training led by individuals with years of sales experience and work alongside equally motivated and supportive peers.

Our Sales teams offer a friendly environment that's both competitive and collaborative. Colleagues root for one another's success as much as their own and often spend time strengthening the team culture through internal and external events and conferences, team-building activities, and more.

## Roles can include:

- Business development managers
- Commercial directors
- Sales associates

“The culture within our Sales Team is unlike anything I’ve experienced before. It’s collaborative, motivating, and full of positive energy. I’ve been given incredible opportunities to travel to major conferences and represent the company. That trust and encouragement creates an environment that genuinely brings out the best in people and empowers you to grow.”  
– **Elena J.**, Consultant, London, U.K.
